

2018 TRITON 420 GT X2

The Triton Range is the second largest Eriba Touring with lots of different variants available to suit a large selection of requirements, 2 and 3 berth models with and without an onboard toilet available which makes the Triton is quite often a popular choice. Note earlier model years can have lower laden/unladen weights, please contact us for specific weights of individual Eriba Touring's offered. All the above is for guidance purposes only.
